# WELCOME TO CES 2026

Dear Participants,

Welcome to CES 2026 - the Cowellmedi European Summit.

We are pleased to invite you to this private gathering in London, created to bring together Cowellmedi's global partners for meaningful exchange, connection, and shared experience.

CES 2026 has been thoughtfully designed to go beyond a conventional event format. It reflects Cowellmedi's core values—partnership, trust, and long-term collaboration—while offering a refined balance between professional engagement and curated cultural experiences.

Throughout the program, you will have the opportunity to connect with fellow partners, explore the dynamic character of London, and take part in moments designed to foster both dialogue and enjoyment. From carefully selected tours to the Cowell Gala Dinner, each element has been arranged to create an experience that is both purposeful and memorable.

At Cowellmedi, we often say—lightheartedly—that "spend enough time with Cowellmedi, and you naturally become a Cowellian." CES 2026 is a reflection of that spirit: a moment where partnerships grow into a shared community, united by common values and vision.

We sincerely hope that this summit will leave you inspired, connected, and confident in the journey ahead. Thank you for being part of CES 2026, and for continuing this journey with us—as Cowellians.

Best regards,

Hyunmyung Choe  
CEO, Cowellmedi Co., Ltd.
